

Dear Parents,

Thank you for your interest in our early childhood program. Enclosed is a pre registration form for admission to Prek 3, Prek 4 and Kindergarten. Completing this form is an expression of your intent to enroll your child(ren) and is not binding but it will ensure your child is guaranteed enrollment when the formal admissions process begins this March.

As the plans for the new regional school develop we will keep you updated. We are dedicated to creating a viable Catholic school where our children will grow academically, socially, emotionally and spiritually in the love of Christ.
